**I undersigned declare on my honour that:**

- To my best knowledge the present Declaration of interest is true and complete. I am aware that I will be responsible for updating this Declaration whenever the situation changes in respect of the interests declared and I will have the primary responsibility for spontaneously declaring any competing interest or conflicts of interest at all times, with special attention to any interest which might be considered prejudicial to my independence in relation to the items on the agenda of a meeting of the EMCDDA constituent body that I have to attend.
- I have read and I am aware of the content of the Privacy statement on the protection of personal data resulting from this Declaration, as it is provided here below, and I am aware that this Declaration will be made available for public scrutiny on the EMCDDA website, with due respect to EU rules on protection of personal data.
- I am aware of and I shall comply with the EMCDDA Policy for the prevention and management of conflicts of interest as adopted by the EMCDDA Management Board at its meeting of 5 December 2014 (EMCDDA/29/14 as published on the EMCDDA website). In particular I am aware of and I shall comply with the following provisions of this Policy:
  - In order to fulfil its tasks, the EMCDDA needs to have access to the highest level of expertise available in the areas of activity covered by its mandate and mission, as defined in its founding regulation. This expertise is often extremely specialised and the possible choice of alternative expertise is not always available. It is therefore essential that the EMCDDA can still be given access to specialised experts, while being made fully aware of all interests involved and possible risks of conflict of interests (or appearance of conflict of interests), in order to act upon these risks.

- The need to avoid conflicts of interest should not prevent the EMCDDA from collaborating with and seeking input from high-level experts. As the persons concerned are generally experienced and may have interests arising out of their professional background and capacity, appearance of conflict of interest, cannot always be entirely avoided. The risks of actual or perceived conflicts of interest should be identified, evaluated and managed. This is particularly relevant in areas where available expertise is limited. A fair, proportionate and timely handling of each case should therefore be ensured pursuant to a policy on prevention and management of conflicts of interest which reflects the perceived exposure of the agency to the relevant risks, taking into account the tasks entrusted to it.
- A conflict of interest generally refers to a situation where it can be reasonably considered that the impartiality and objectivity of an assessment, opinion, recommendation or decision of the agency is or might be perceived as being influenced, compromised or biased by a personal interest held or entrusted to a given individual. Relevant personal interest may be of financial or non-financial nature and it may concern a personal or family relationship or professional affiliations and other relevant outside activities.
- Not only actual independence but also perception of independence is important, since this issue can impact on the agency's reputation by raising doubts about the conclusions reached. The appearance of conflict of interest can constitute a reputational risk to the agency, even if it turns out to be unsubstantiated.
- This declaration of interest shall not imply by itself the existence of any conflict of interest. Declaring an interest shall not necessarily mean having an actual or potential conflict of interest, nor shall it automatically disqualify a person from participating in the activities of the EMCDDA.

The EMCDDA Director, as the responsible data controller, will ensure that any Declaration of interest is duly filed and kept for a maximum retention period which will expire on the date of the decision providing discharge to the EMCDDA Director, following the termination of the mandate of the concerned person in the relevant EMCDDA constituent body.

The data subject, i.e. the author of the Declaration of interest, will have the right to access his/her Declaration and update or correct it, as required, at any time. For this purpose the data subject will have to address in writing the EMCDDA Director, as the responsible data controller.

In case the Declaration of interest is not delivered or is not complete, the EMCDDA Director, as the responsible data controller, will contact the data subject concerned for the purpose of the required delivery or completion of the Declaration.

The data subject may address the EMCDDA data protection officer ([DPO@emcdda.europa.eu](mailto:DPO@emcdda.europa.eu)) for possible questions concerning the protection of his/her personal data.

Without prejudice to any judicial remedy, the data subject will have the right to lodge a complaint with the European Data Protection Supervisor ([edps@europa.eu](mailto:edps@europa.eu)), if he/she considers that his/her rights to the protection of his/her personal data have been infringed.
